

**RAJKUMARI AMRIT KAUR COLLEGE OF NURSING
(MINISTRY OF HEALTH AND FAMILY WELFARE, DGHS)
GOVT. OF INDIA, NEW DELHI**

RAJKUMARI AMRIT KAUR COLLEGE OF NURSING

is a pioneer institute established in 1946 for nursing education in India and the South East Asian region offering basic and higher education programmes. It is the first nursing college in India to offer courses in B.Sc. (H) Nursing (1946), M.Sc. Nursing (1959), M.Phil. in Nursing (1986) and PhD in Nursing (1992). The College is controlled financially by the Directorate General of Health Services (Ministry of Health & Family Welfare) and academically affiliated with the University of Delhi as the Department of Nursing under the Faculty of Science.

VISION

Centre of Excellence in academic as well as service to society in order to become holistic in its outlook and approach to meet the health needs of the country by providing specialization in various courses as per the national health policy.

OBJECTIVES

1. To provide a broad-based education for the preparation of nursing personnel at both basic and advanced levels who can function in a wide variety of Health Care settings and make their distinctive contribution in all branches of nursing for the promotion of health, prevention of diseases, care during the illness and maintenance of positive health.
2. To prepare a corps of well-qualified nurses for leadership positions to assume responsibilities in nursing and to do pioneer work of a creative nature for the development of the human and scientific healthcare system.
3. To promote the deeper study in nursing to generate new perspectives, and develop innovative approaches to deal with problems encountered in nursing and the health field.
4. To maintain a centre of excellence in the pursuit of higher studies in nursing and act as a pace-setting institution, to strive to give direction to the profession of nursing, and to serve better the contemporary and future needs of nursing development.

PHILOSOPHY

The College believes in training professional nurses from all states of India to meet the great challenges of service in the field of nursing, Professional nursing is a life-long service to the people and nursing must advance along with other health professions if society is to be assured of a balanced situation. Furthermore, the College believes in a system of nursing education that fits in with the changing educational patterns of the country to meet the health of the society
